Correspondence In: email from D. Emery re ground for Clout

Correspondence out: To D. Emery requesting more information. Ground would need to be inspected as it needs to meet safety and clout requirements. Insurance only covers official Club shoots.

Agenda:

- 1. Come and Try target butts.** Discussion took place re target butts. We currently have different types of targets. The BCE are from Newcastle and the Fastgo from Vietnam. The use of Fastgo targets will be discontinued. It was resolved that Jeff Garner would obtain a quote from BCE for 3 complete targets, 9 centres and 4 outers.

- 2 Up to \$150 to be spent to purchase a wall TV stand for indoor Timing monitor.**

Moved: J. Garner

Seconded: G. Dyer

Motion carried: Unanimously

3. We express our thanks to A.S.T. for their letter supporting our request for a grant from the West Tamar Council. The outcome of this grant application will be known on 18th September, 2024.

4. A request was made to borrow or rent a 122cm target butt for home use. This was discussed at length. Targets are consumable items, and as AA discourages shooting at home it was felt that the Club could not support the lending or renting of Club equipment for home use. It could also cause issues as it is not within insurance guidelines.

5. Clout ground. See Correspondence In/Out

6. Army Cadets 6-9 p.m. 4th December. As no one could commit to supervising this activity it was resolved to notify the Army that Paringa grounds were unavailable.

7. Field course storm damage clean-up. Due to closure of the Trevallyn Reserve storm damage is not yet known. As soon as practicable an assessment will be made as to the best way to proceed. It is envisaged that professional assistance will be required for cutting and clearing of larger trees. Costs for this are unknown at this stage.

GENERAL BUSINESS:

1. Several events are scheduled in the first months of 2025 to be held at Paringa and the support of all members is requested, please. How can you help?
