Correspondence out: Nil

Agenda:

1. A request has been received from Roger Emery for a key to the armoury to assist in running mini clout. This request has been granted.

Moved: J. Garner

Seconded: P. Mulholland

Passed: Unanimous

2. Bookkeeper role – this will be kept under review and adjustments to present arrangements made if necessary.
3. Come and Try teams. Three new members have volunteered to assist in running Come and Try sessions. Thank you Tatiana, Luke and Trevor. As only Tatiana and Emma will be available for the week 2 March session, Dean and Tony have agreed to double up on this occasion.
4. Brixhibition. A request has been received for 'Come and Try' vouchers for Brixhibition. This has been a co-operative arrangement for many years and Paringa will continue to support this community event.

Moved: P. Mulholland

Seconded: S. Morphett

Passed: Unanimous

5. Clout feedback: A most successful day was held under the leadership of Peter Mulholland. Hopefully this will become a regular event on Paringa's calendar. Bearing in mind the cost of providing a portable toilet, it was suggested a possible levy of \$10 per participant be made.

A letter of appreciation and a donation of two Come N Try vouchers will be sent to Jacob Dean-Whitley.

6. Working Bee Sunday 2.2.25. Only five members turned up for this event. With lots of hard work members managed to prepare the Field course ready for the State event, do work on the range and around the club house. As you will realise, there is always maintenance and preparation to be done at the Club and greater attendance at working bees would be appreciated.
7. Field target butts \$508, \$638 (core) 100cm x 10 = \$6380 plus freight which could total approx. \$8,000. It is possible this cost could be offset if we could obtain a grant from Active Tasmania Active Clubs program. This will be investigated further.

General Business:

1. In the absence of a nomination Shirley Morphett will take on the role of Public Relations – Acting, looking after the Come and Try vouchers.

Moved: J. Garner

Seconded: P. Mulholland

Passed: Unanimous

2. Finger Tabs. There is a shortage of finger tabs for Come and Try. 10 of each Small, Medium and Large will be purchased.

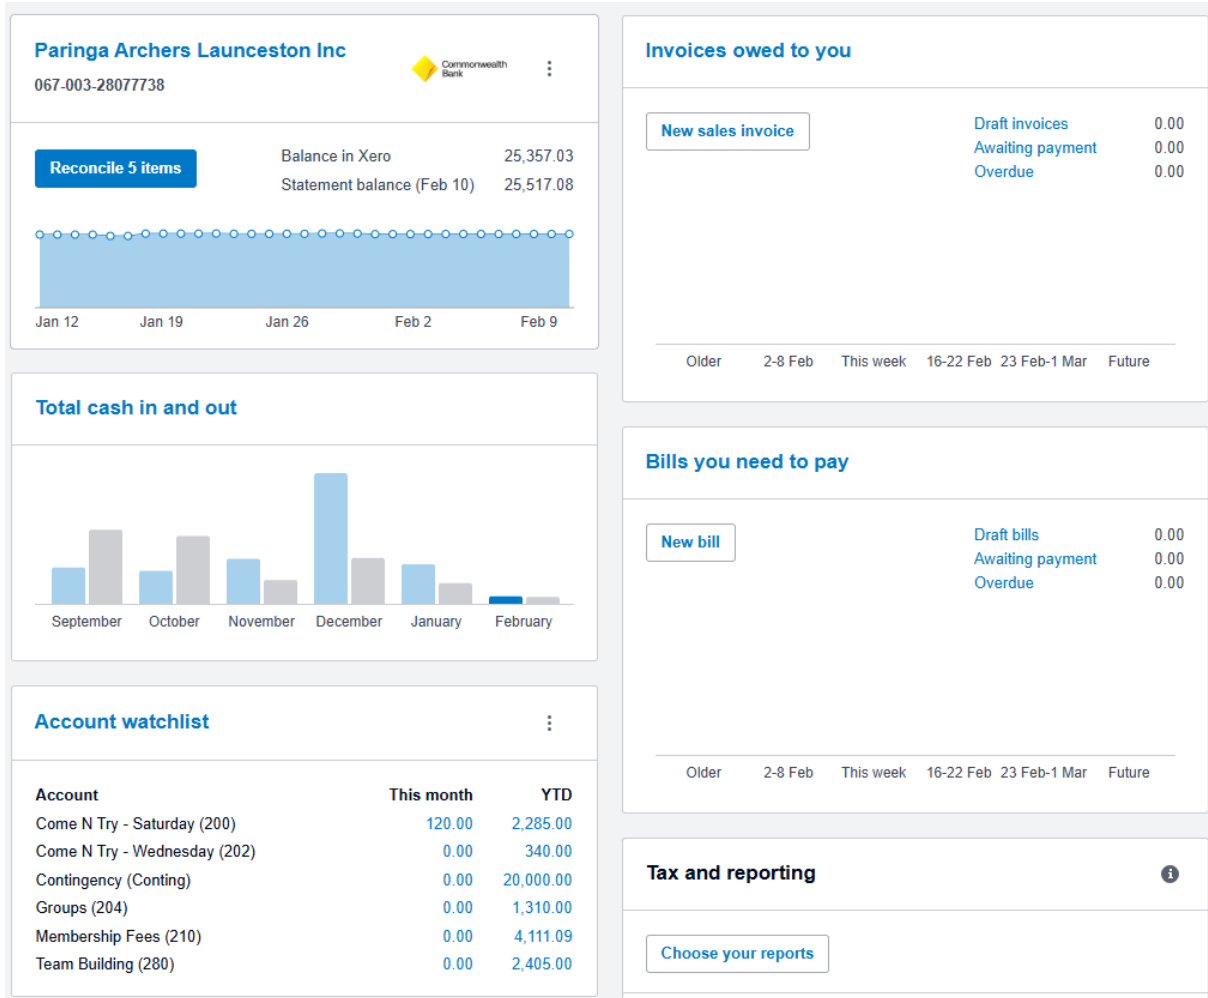

Moved: P. Mulholland

Seconded: S. Morphett

Passed: Unanimous
