- Agenda:**
- 1. AA Accounts:** A report from AA shows that their financial status has improved.
 - 2. Water leak emergency:** You will probably have all noticed the water leak in the driveway into Paringa. Jeff Garner will contact Parks and Wildlife and discuss this issue. He will also obtain a quote from Grant Chugg Plumbing, who has previously done work at Paringa, to have remedial work undertaken.
 - 3. Indoors gutter cleaning.** Normal maintenance is required to clean the guttering around the roof of the Indoors. This has been done previously, and the same tradesman will be asked to once again clean the guttering
 - 4. Special General Meeting and Annual General Meeting.** These meetings will commence at 12.30 p.m. on Saturday, 13th December. The Special General Meeting will be held, followed by the AGM. We will once again draw a name from those attending, and that person will receive FREE MEMBERSHIP for one year. The conditions are that the person must be in attendance for the duration of the AGM.

CHRISTMAS BREAK-UP DINNER will be held at 6.00 p.m. on SATURDAY, 13th DECEMBER. The reason for the change in time,

separating meetings and dinner, is to facilitate the bringing of perishable food by members.

Notice of SGM/AGM will be published as will the request for nominations for Office Bearers and Committee for the forthcoming year, 2026.

5. Field Working Bee will be held on 23.11.2025. THAT'S THIS COMING SUNDAY!! It is anticipated that 4 targets need replacement, and some need to be moved. There are also some small trees that have fallen across pathways that will need to be removed. We will endeavour to have a bin on site for the removal of rubbish.

GENERAL BUSINESS:

Paringa currently has 64 members. It would be nice if we could meet up at the Christmas Dinner, and perhaps get to know each other in a different environment.

Meeting closed: 7.40 p.m. pm

Next Meeting: Annual General Meeting, 12.30 p.m., 13th December, 2025
