September 2017

To help make the newsletter relevant for you, please pass on any copy, comments, suggestions or submissions to the email in the footer or catch me at the club.

For what's happening at Paringa and Archery in Tasmania, see Paringa's [AST calendar](#)

This Month's Face of Paringa

You are most likely to see Adam Smith at a Saturday Come N Try session, having a relaxing time chatting and shooting. The first Longbow shoot saw him stay on for a Saturday afternoon of fun and he was also seen at a recent club clout at Longford. When the Longbow bug bites you just pull back and go for the ride.

Indoor Project

"Whatever good things we build end up building us". Jim Rohn

.One last picture before the work starts.

Current status

- 27/9/17 – Foliage removal and stacking.
- 26/9/17 – Felling of trees

- 15/9/17 – Trees Etc winning quote to fell trees.
- **12:30 Sat 2/9/17** – Indoor project meeting at Paringa to discuss remaining project tasks.

So how do we have to spend the money we have for the project?

Grants from the Tas Community Fund (TCF) and Sport and Rec come with conditions that restrict expenditure to listed budget items only.

Paringa won't know about the \$77,883 Sport and Rec grant until Feb 2018, so Paringa can only budget on the TCF and club funds.

The Indoor Range Budget

TCF	\$90,000	
Club funds		\$62,000
Shed (30m x 16m)	\$90,000	\$21,467
Electrical		\$20,886
Fit out and Target frames		\$1,230
Targets		\$6,700
Archery Equipment		\$17,220
Secure Storage		\$4,380
Security System		\$6,000
Balance	\$0	\$15,883

If Paringa doesn't get the Sport and Rec Grant then the budget items Targets, Archery Equipment and Secure storage could be dropped (\$28,300) leaving \$12,417 in club funds. This is below the \$15,000 contingency balance usually held by the club but we have the Come N Try and Groups income over the next four months, that should provide adequate club funds.

Of course, if the Sport and Rec grant is approved then the club will have \$62,000 plus summer income less \$15,000 contingency to spend on other projects.

Either way, Paringa is in a good financial position and will have sufficient funds to meet Indoor Range project and club operating expenses.

Car Park Project

At the last club meeting (minutes below), Caitlin S took the opportunity to initiate the project. A federal government grant is available and Caitlin has applied for 49% of the \$23k project costs. I guess we wait on the outcome and see if we have the funds to complete the project.

Rosario 2017 World Archery Youth Championships (2nd to 8th Oct)

MATTHEW EVERETT
AUSTRALIA

Good luck taking on the “best of the best” in the Compound Junior Men division Matt.

You may also like to keep an eye on Sarah Haywood (Hobart Archers) in the Recurve Junior Women.

Club Meetings

2/9/17 Paringa Clubhouse 12.30 pm

Present:

Shirl Morphett, Brian Swinton, Michael Dickson, Kaytlyn Dickson, Wal Morphett, Deb, Nick Hayward, Geoff Dyer, Rolfe, Clint, Andrew Fluck, Richard, Peter and Carol Fisher, Michael, Justin Clarke, Richard G. Paul K, Paul Mal, Cameron Schwab, Tim Schwab, Tim, Caitlin, Matt Everett, Damian Clarke, Jeff Garner,

Jeff want decisions from club members before proceeding. Jeff informs us that money spent before grant can't be allocated against the grant. We have money to complete the project ourselves before we get the grant.

World Archery has made changes from 90m- 70m. The proposal is to move the shed 5 meters forward and we'd be shooting off the 15 meter line. 90 meter shoots can be shot from beside the shed. 90 m will only be AA. We save money because we won't have to do alot of extra groundworks.. \$250 council application fee required. Clint notes that if 90 is still a national event we need to cater. Andrew note AST needs 1440 FITA

Motion: move shed 5 meters south Jeff s moved Paul k 2nd passed unanimous

Motion: not to move the butt ie. keep 90 existing 90 meter line. Paul K. moved. 2nd Jeff G Unanimous.

General Construction discussion

Andrew ask about range access during construction. - the line will be moved forward for c&at.

Jeff, says four blue gum need felling for the shed. We need a working be. Parks says licences fellers required and Chain saw licences to cut.. Jeff suggests we leave shelter

Power to run to edge of shed and line to existing club. We need to rewire the existing clubhouse. We will then install webcam/security, for web and security .

We also have target butts in the grant budget.

Rolfe asked what determines he commencement of works, after the trees are felled. Jeff anticipates construction starts next year.

Caitlin informs of potential grant for paving Tarmac parking that has been applied for.

Next club meeting: See [calendar](#)

Organiser: President

AST Meeting

At the AST meeting on 25Sep17 the following were discussed & decided:

Paringa Archery Club Newsletter

Join in, achieve and have fun.

Target and Field: 201 Reatta Rd, Trevallyn Reserve, Launceston, Tasmania

1. The president reported the OzBow scheme from Tasmania has been adopted by Archery Australia with 50 kits ordered. Two AST juniors (Sarah Haywood and Matthew Everett) will represent Australia in Argentina next month.
2. The vice-president/youth director reported a team of 10-12 Juniors is preparing for 2018 Youth Championships.
3. The treasurer reported an expected loss of \$1500 for the year, once loans are repaid.
4. The recorder reported records continue to be broken.
5. Judges director reported appointment of two new national judge candidates: Melissa Coull (Burnie Archers) and Paula Duniam (Hobart Archers). We now have 5 judges in the north of the state, 7 in the south. Since judges are allocated on the basis of the previous year's registrations, 28 judging days are scheduled in the north, 31 in the south, with a total of 15 travel days required to accommodate availability.
6. 2018 Calendar: a draft has been circulated to clubs. Because the Nationals will be 27Oct – 2Nov, the Southern WA was put to 6-7Oct; the Luttrell-Clarke to 20Oct. Regarding QREs it is **proposed** only 12 be held statewide each year, 6 in the north, 6 in the south [e.g. one of each at Paringa]. This reduces clashes with tournaments. Clubs will notify the state recorder of the proposed QRE types (indoor, field or target) and dates by 14Oct17, and the AST calendar will be finalised by 31Oct17 to facilitate AA/WA registrations. The erroneous Paringa Northern championships 11/12 November 2017 will be deleted from the calendar since it clashes with the Southern WA, and a Northern Championships will be held in Burnie 26-6 November.
7. The Paringa Indoor project was reported, and AST understands the 2019 state championships may have reduced capacity for hosting 90m rounds. If WA consigns them to the history books (expected), this may not be a problem.
8. AST life memberships were discussed.
9. The budget for 2018 was approved. To balance the budget, event fees may rise on 1Jan18 from \$2 to \$5 and the judges' levy from \$8 to \$10. No other fees to change.
10. Changes to the AST constitution were discussed. Archaic spending limits to be modernised. Discussion about annual auditing. It was proposed the annual audit be dropped unless 2/3rds of members at the AGM require it. The changes will be brought to the AGM in December.

Andrew Fluck – Paringa AST Delegate

Working Bees

"We make a living by what we get but we make a life by what we give." Winston Churchill

On the 27th September an impromptu working bee was held to remove the felled tree foliage.

Paringa Archery Club Newsletter

Join in, achieve and have fun.

Target and Field: 201 Reatta Rd, Trevallyn Reserve, Launceston, Tasmania

Three neat piles of foliage ready to be burnt.

Thanks to Geoff D, Barry P, Brian S, John D (he just happened to be there and helped), we nearly got all the foliage into piles before the rain got too bad. Barry P, John D and I went back the next day to finish off and Cameron S came Saturday to cut the logs into rounds. Looks like Tim S and Cameron S will be back Wednesday to finish the cutting while we burn the foliage.

The Friends of Trevallyn Reserve working bee is for ~~October 15~~ **December 3rd 10-12** (with archery afterwards). Rolfe

Jobs To-do

- Field Course
 - 80 – 60cm butt replacement with old range BCE butts. Wrap with pallet wrap.
 - Bugs eye butts replaced with new foam butts. Target 4
 - Lower target 3
- Target Range
 - ~~Wheels on remaining target butts~~
 - Replace wheels falling off with new design.
 - Target numbers above butts
 - Repair stramit butts

- Repair trolley tyres.
- Add shade cloth barrier to mound
- Club House
 - Repair signage.
 - Front gutter blocked.
- Ext Trailer
 - Grease bearings
 - Replace tyres
- Removal of non-native and weed vegetation
 - Coordinate with the [Friends of Trevallyn Reserve](#) to identify and remove. Rolfe.

Next Working Bee: See [calendar](#)

AA SHOOTING RULE CLARIFICATION TOUCHING ARROWS (TARGET FACE OR BUTT) PRIOR TO SCORING

Within archery there appears to be much confusion as to the rule surrounding “touching arrows (target face or butt) prior to scoring”.

The common misconception is, if there is an arrow close to the score zone dividing line and the archer touches an arrow/s (target face or butt) and its their arrow/s then the lower score prevails but if the archer touches someone else’s arrow/s than the higher score prevails.

THIS IS TOTALLY INCORRECT.

There is no such rule and there has never been such a rule in Archery. In this area Archery Australia complies with World Archery rules. World Archery Rule 14.2.1 states - **None of the arrows, the target face or butt shall be touched until the value of all the arrows on that butt has been recorded.** It is very important to note there is and has never been any direct penalty for failing to comply with this rule. In saying that if an archer does touch arrow/s (or target face or butt) prior to scoring it is the responsibility of the other archers on the target to bring this to the archer’s attention. If the archer continues to touch arrow/s (or target face or butt) prior to scoring the other archers on the target may bring this to the attention of a Judge who may issue a warning. Alternatively, if a Judge observes an archer touching arrow/s (or target face or butt) prior to scoring the Judge can issue a warning. It should then be noted that under **World Archery Rule 15.1.7. it states An athlete proved to have knowingly broken any rules and regulations may be declared to be ineligible to participate in the competition.** The athlete shall be disqualified and shall lose any position he may have gained. So an archer who touches arrow/s (or target face or butt) prior to scoring and has been previously warned by breaking WA Rule 15.1.7 may be declared to be

ineligible to participate in the competition by a Judge.

Club Shoots

Well the last club shoot was a big one with two shoots on the range.

LONGBOW SHOOT – SATURDAY 30TH SEPTEMBER 2017

This time the longbow archers were blessed with a wonderful sunny day. We also were visited by Peter Starr and Gareth Keanealy from the Loxley Archers at Burnie.

There were 12 archers on the line and rumour has it that one or two more archers are looking at purchasing longbows. Well done the stick and string brigade! It's a shame that part of Sherwood Forest had to be cut down to make way for the new indoor range.

The scores for the day –

50/40/30

P Starr (Loxley Archers)	249
G Keanealy (Loxley Archers)	223
A Fluck	172

40/30/20

B Swinton	393
R Barnes	385
J Clark	358
J Garner	245

30/20/10

J Dodos	477
W Morphett	414

D Clark	395
P Malinowski	385
P Korosi	364

The next outing for the longbows will be **on 18th November at 12.30 for 1.00 pm.**

The Drake shoot was also well attended by seven archers.

When: Most Saturday afternoons (See [Calendar](#))

Organiser: Rolfe de la Motte

Midweek Twilight Shoot

Twilight series starting 4th October.

Organiser: Brian Swinton

QRE (WA)

17th September was a good day for the QRE, with 10 archers taking part and some personal bests being shot.

Rabbit of the Month

For things members occasionally do but probably wish they hadn't.

Overheard at a recent 'come and try' was a member chatting to two teenage girls.

"Oh", he said, "are you sisters?"

"Yes we are", the girls replied.

"Really, well are you twins?"

"Yes", said the girls.

"Well how about that", he says most impressed,

"are you the same age???????"

It must be a PSE Compound thing.....!
(Anonymous contributor)

While clearing the tree foliage we had a rare sighting of the "red handed" Tasmanian yowie.

A handy fellow to have around.
As I'm sure mother would agree!

The Final Say

Finally, something AA has done that I agree with 100%.

AA Board News September 2017

"The Archery Australia Board is pleased to announce the granting of Life Membership to Archery Australia for **Paul Korosi from (Paringa Archers) Tasmania** and Peter Egan from South Australia.

Life Membership has been granted to both Paul and Peter in recognition for their extreme efforts as volunteer members of Archery Australia in their contribution in the creation and ongoing management of Archers Diary, Manage.iscored and Iscored.today as well as the Judges Diary."

Congratulations Paul., well deserved.
