

### July 2020

Hi Everyone

We are open again for normal club activities including club competitions, our come n try sessions will re-open on Saturday 11<sup>th</sup> July.

Things will be a little different post Covid 19 shutdown, at this stage we can only hold the public come n try sessions on the 2<sup>nd</sup> and 4<sup>th</sup> Saturdays of the month due to the number of members available to manage the extra work needed to comply with current requirements.

When we get more members coming back to the teams, we will look at expanding our opening days.

The come n try teams have changed a bit to accommodate the number of members available.

Team 1, Rolfe de la Motte DOS, Dean Emery, Trudy Owens and Alex Johnston.

Team 2, Andrew Fluck DOS, Emma Hutchinson, John Dodos and Ben Millington.

Graham Brown and Roger Emery will manage the sign in desk until the new system is bedded in and other members can be trained in its operation.

Team reserves at this stage are Richard Barnes, Michael Hinds and Karen Neil.

For all other pre shutdown team members who have not yet advised us of their availability, please take your time and return only when you are comfortable in doing so.

Wednesday night sessions will be suspended until further notice for the same reasons.

There are still several protocols we must manage to comply with the approval to re-open, some of these are listed below in the email from AST.

The Archery Society of Tasmania has discussed the easing of restrictions with the Department of Sport and Recreation to confirm and clarify some of the finer points that effect Archery in Tasmania.

These new requirements can be viewed on this web site: <https://coronavirus.tas.gov.au/families-community/sport-exercise-and-recreation>

Here are the key changes:

- Sanitizer still to be provided.
- Toilets and club house may now be opened, BUT NEED TO BE CLEANED AFTER EACH DAY'S USE
- Maximum participants in outdoor sports are restricted to 500. We can, therefore, begin our 'Come and Try' and community groups. HOWEVER, any shared equipment must be sanitised between users.
- The 1.5 m social distancing is to be maintained WHERE PRACTICABLE. So, we can have 3 archers using one butt, as that's normal for our sport.
- Coaches are permitted to approach students to demonstrate or adjust form, but parents and spectators must adhere to the social distancing requirements.
- We still need to record who has been at the grounds, including parents and spectators

Please note that each Club can still determine what additional safety precautions they would like to adopt to maintain a common sense approach to keeping members and participants safe during this

**Target and Field:** 201 Reatta Rd, Trevallyn Reserve, Launceston, Tasmania

---

emerging period of eased restrictions.

Please also report any concerns or issues your club encounters during this process of returning to our regular club activities to AST via email [president@archerytasmania.org.au](mailto:president@archerytasmania.org.au) or by calling me directly on 0419 358 991

**ROB FIDDYMENT**  
PRESIDENT - ARCHERY SOCIETY OF TASMANIA INC.

**As well as the guidelines from AST we be implementing several additional procedures to help keep our members and visitors safe.**

Our sign in process has also been changed to reflect the widely accepted practice of becoming cashless and contactless.

Online registration and payment through our new website and Facebook is now required on a Saturday as it has been on Wednesday nights and although we will initially still get people just turn up as has been the practice in the past we now need to explain the new registration process for when they come next time.

Participants as well as members will be logged in on a computer as part of the contactless move, members will no longer need to sign in, just let Graham or myself know you are there.

Welcome back to your club, good shooting, have fun and keep safe.

**Roger Emery**  
President.

### Long Bow Shoot

#### The Longbow

I know it's been a while, but the time is approaching for the longbow men to meet again!

June was a possibility, but the timing was a bit tight with what we are allowed to do – so July is the time – all things being equal!

#### Saturday 18<sup>th</sup> July

12.30 pm practice  
1.00 pm shoot  
30/25/20

I look forward to seeing you all.  
Brian Swinton
