Correspondence out: Nil

Agenda: 1. 3D animals and other target types at Come & Try.

Committee discussed this issue and concern was expressed re compromising safety and other issues. It was resolved that standard World Archery target faces on range or indoor target butts shall be used.

Balloons mounted on target butts may be used for variation. This will provide a consistent experience for all attendees.

Moved: P. Mulholland

Seconded: G. Dyer

Passed: Unanimous.

2. Parks burn off reschedule. This work has again been postponed. The status quo at this stage is that we will be advised when a burn off is to take place.

3. New sign at front gate. The replacement sign cost \$295 and hopefully should last 4 – 5 years.

4. Recycle rewards – charity or bank details. Because of the complications of becoming a registered charity it was resolved that anyone wishing to donate the proceeds of recycled bottles/cans could deposit direct into the Club bank account

5. Working Bee. Once again a small number of workers gathered to repair targets and do other maintenance work around the Club grounds. Thanks to Tony, Heather Karen, Todd, John, Jeff G., Richard, Geoff D, and Peter. Special thanks to Lyn R. for coming to help even though she is no longer a shooting member.

6. General Repair/Replacement work. (a) Club house lock needs repair; (b) Stop cock valve or Butterfly valve to be replaced to stop leaking pipe; © A bin will be purchased and will become a separate RECYCLE bin.

Moved: J. Garner

Seconded: S. Morphett

Passed: Unanimous

GENERAL BUSINESS: The next Full CLOUT will be held on Saturday, 3rd JULY at Cressy.
This will be a Club shoot.
