Rabbit of the Month

This section is dedicated to notable actions that members may on occasion happen to do.

The Final Say

Good to get a bit of a break from the summer schedule as we head towards winter and the Indoor archery season.

This is the perfect time for new archers to be looking at taking part in their first competitions.

Indoors offers the shortest competition distance (18m) with the challenge of shooting on a 40cm target face. This is close to shooting 90m on a 122cm face. The rounds are also only 60 arrows with 3 arrow ends. This gives you a lot of time to recover between ends.

So if you can shoot consistently within the 7 ring on a 122cm target at 18m you would have the skills to do an indoor round.

Take the leap and have a go, it is fun and out of the weather. ☺
