This Month's Face of Paringa

Yes, he has returned! Peter Fisher is one of the club's Life Members and after a period of injury has returned to archery. I even hear he has purchased some new equipment and is looking forward to the warmer

weather and Indoor range.

I look forward to seeing completed photos.

Please let me know if you have any further questions.

Working Bees

"We make a living by what we get but we make a life by what we give." Winston Churchill

Brian and Jeff recently spend four hours at the club repairing Group and Come N Try arrows. Interesting how some were fletched as compound arrows, some sets had different length arrows (really dangerous) as well as mixed knock and fletch colours. All fixed, until next time. ☺

The Friends of Trevallyn Reserve working bee is for **October 15 10-12** (with archery afterwards).

Club Shoots

Longbow - 26/8/2017

The second shoot for the Longbowers, was held on the above date and for the second time, we judged the rain to perfection by two minutes. Therefore a good time was had by all except Paul Malinowski, who still shot his round even though in great agony with a torn leg muscle or tendon.

We had 11 shooters on the line and the scores are set out below –

Rabbit of the Month

Everyone seems to have been very well behaved this month. Well perhaps not all!

The Final Say

It's been great to see members stepping up to provide a variety of events for other members to enjoy. Paul Mal has kept the Clout going with a change of venue and Brian Swinton has given us some laughs with the Longbow shoots. Together with Rolfe's scheduled club target shoots and Geoff Dyer's efforts on the Field course and QREs, there has been a lot of opportunity to enjoy our sport.

Makes me wonder how we will fit indoor rounds into the mix? Whatever we do, it's going to offer everyone more opportunity to shoot over the cold, wet months.
