May

Paringa Northern Indoor

Held on the 20th/21st, with 18 entries – a couple being double entries (different age or bow division). This is still down on our normal so people are still not inclined to travel. We had 4 entries from Paringa, Jeff Garner, as always, Terri Szabo (1st timer), Emma Hutchinson and nice to see Paul Fahey getting in on the act. Terri and Emma only had to beat themselves but then it's not their fault if nobody else turns up. I think they both enjoyed it and found that it's not as stressful as they thought it would be. The idea is just to enjoy yourself and shoot like you are practising. Brent Lowe, of VDA, managed to take out both the Open and Master compound divisions after Trev Rawlings from Burnie gave away the master division by shooting two arrows on one target (he was shooting 3-spot targets), thereby losing ten points. If he had scored the ten points, it would have been a tied score.

QRE Field at VDA

This event was cancelled.

Indoor QRE

On Friday evening of the 27th, Jeff Garner ran an indoor QRE and five members took part. As is becoming a regular occurrence, Peter MulHolland managed to beat his own state record by 3 points at 464 so he's on song for the nationals in July.

June

Van Diemen are running a **Target QRE** on Saturday, 4th at their Kingston range. Register on Archers Diary. Burnie are running an **indoor QRE** on Wednesday evening, 8th at Upper Burnie Hall. Again, register on Archers Diary.

Burnie are also holding their annual **North West Indoor** on the weekend of the 11th/12th, again at the Upper Burnie Hall. This is the same format as the national indoor champs of a double AA 18m indoor round followed by a WA 18m indoor round (both 60 arrows for 120 total)

I am running a **Target QRE** on Sunday, 19th. Yet again, register on AD.

July

A reminder that we are running this year's **State/National Indoor** competition on the 9th/10th July. Format is as described above for Burnie's comp but this year, you must decide to shoot on either the Saturday or the Sunday. You can shoot on both days but, for this, you must enter twice in different age and/or bow categories. Entry is via AA's Gameday page at:

<https://eventdesq.sportstg.com/index.cfm?fuseaction=main&EventDesqID=38609&OrgID=8476>

Due to the need to set up on the Friday evening, there will be no Friday night shoot on the 8th.

Remember, Have Fun

As the days are closing in, we will schedule 2 flights and decide on the day if we continue with the second flight. Remember when you register scroll to the bottom of the event selection, and you will find FluFlu Mini Clout.

To cheer us up after winter, we will organize a Sunday Mini Clout with a BBQ lunch between flights so keep an eye open for that date.

Longbow shoot

Hello Members,

Our May longbow shoot was a quiet affair.

We had three members attend the day.

The scores are as follows.

Dean 444

Roger 385

Paul 344

Well done Paul on your second effort time at the event. Solid shooting.

The weather was perfect, and the company made it worth the time. Our club longbow shoot is on the third weekend of every month. No need to sign up on archer's diary you can just turn up on the day.

Practice starts at 12:30pm for a 1:00pm start.

The format is

3 ends x 6 arrows @ 30M

3 ends x 6 arrows @ 25M

3 ends x 6 arrows @ 20M

There is no cost and no tournament conditions involved and we don't even mind if you don't shoot a longbow.

There is a growing contingent of Barebow recurve shooters in the club and you are all more than welcome to join the longbow shoot.

No sights, no stabilisers, no compounds and no excuses are the only conditions for entry. Come and enjoy archery in one of its purest forms after all it's all about trying something different.

We are normally done in an hour or so but the friendships last lifetime.

On behalf of Brian Swinton,

See you next month.

Regards, Dean

A Reminder for COVID-19

Hi, everyone, just a reminder that we are still observing Covid-19 Return to Sport Arrangements. Our Covid-19 plan is available on the website for download should you wish to read the whole document.

These are the simplified actions we need to take.

- Follow minimum contact procedures wherever possible.
- Sanitize all shared equipment.
- Practice personal hygiene (e.g wash hands prior to and after handling equipment).
- Wipe down and clean toilet and clubhouse facilities if you use them.
- Observe physical distancing wherever possible.

COME AND TRIES

We are looking for any members who would be willing to occasionally participate as a backup come n try team member.

The Saturday schedule is the 2nd and 4th Saturday of the month, we currently have 2 full time teams for these days but sometimes members just can't make it and instead of putting a further load on other team members to try swapping days, we would like to

have a separate group of members available we could call on.

The Wednesday schedule is the 1st Wednesday from 6:30pm to 9:00pm.

Any members willing to help please send Jeff Garner your contact details and phone number. It will be up to individual come n try team members to contact relief members and make the arrangements.

Week 2	Come N Try	Club shoot
