President Report

A busy February kicking off with a Working Bee on Sun 5th Feb. A great effort with the side and pathway drains cleaned out, sags/thistles removed, target butts repaired, distances numbers redone and whipper snipping to clean up the entrance, far bank and club house hill. Well worth the effort from John, Peter, Tony, Heather, Bella, Lyn R, Emma (+ family Lee, Arthur and Tabitha), Jeff G, Alex and Trudy.

Our next Working Bee will be in April to clean the field course and replace some field target butts.

We are also getting a few quotes for a shade solution on the southern side of the Indoors.

This one being a meagre \$154k as a rough estimate.

Enjoy your shooting, Jeff Garner.

Longbow Shoot

Hello all,
So our February longbow shoot was held with good attendance and some really good scores. There were a few faces missing that we all wished had been there but due to other commitments were unable to attend. Nevermind, the shoot was held in high spirits and in even better weather, we also had a ring in front Burnie join us, Tony Jones.

He is always welcome at our club as are other club members for our club shoots.

Our scores are as follows,

Well done again to all shooters.

Thank you for your continued support for the club longbow shoot.

It is the people that turn up that make it such a fun event.

I have a little something special planned for the longbow shoot next month, stay tuned.

All will be revealed in time.

On behalf of Brian Swinton,

A Reminder for COVID-19

Hi, everyone, just a reminder that we are still observing Covid-19 Return to Sport Arrangements.

Our Covid-19 plan is available on the website for download should you wish to read the whole document.

These are the simplified actions we need to take.

- Follow minimum contact procedures wherever possible.
- Sanitize all shared equipment.
- Practice personal hygiene (e.g wash hands prior to and after handling equipment).
- Wipe down and clean toilet and clubhouse facilities if you use them.
- Observe physical distancing wherever possible.

COME AND TRIES

We are looking for any members who would be willing to occasionally participate as a backup come n try team member.

The Saturday schedule is the 2nd and 4th Saturday of the month, we currently have 2 full time teams for these days but sometimes members just can't make it and instead of putting a further load on other team members to try swapping days, we would like to have a separate group of members available we could call on.

The Wednesday schedule is the 1st Wednesday from 6:30pm to 9:00pm.

Any members willing to help please send Jeff Garner your contact details and phone number. It will be up to individual come n try team members to contact relief members and make the arrangements.
